About Company

We help our clients to achieve their desired goals

We are a boutique investment house who are engaged in sourcing and co-investing in suitable ventures across the globe through a balanced approach and help entrepreneurs with great ideas either in Greenfield ventures or in brown field going concerns.

Our aim is to develop and manage a sizable portfolio with suitable representation in all industries such as manufacturing, e-commerce, Renewable/green energy, infrastructure, real estate, mining and IS/IT.

We Have an Exclusive Team
